TIPS

public transport
There are discounts on every bus stop. You can buy monthly tickets up to 5 months long ticket. For more info check www.mph.lublin.pl

clothes
Second-hand shops (suchard or laska) (clothes in Poland) are located in almost every street in Lublin. You can find good quality things there in great prices.

moving through the city
google maps are very handy to find any place in the city. In Poland every street has its own name and every building has its number. For instance if Chopina 14/17 means Chopina street, building nr 14, room nr 17.

ACCOMODATION
If you are looking for a flat or room to rent, we advise you to visit such websites as www.ok.pl, www.gumtree.pl or spnycy.lublin.pl

bills
You can pay them online, all you need to have is the bank account. Remember that the Polish currency is "zloty" (will be also as "z" or "PLN")
