We've got some
useful tips
for you!

November tips!

Do you need to exchange
the currency? There are
many exchange offices in
Lublin. Most of them are
located at Peowiaków St.
For more info check here:
<http://quantor.pl/en/kantory/lublin.html>

There are many
second-hand shops in
Lublin! You can find
them in almost every
street (search for the
signboard "Cluchland"
or "Tania odzież"). You
can buy there not only
clothes, but also
books, toasters, pots
and everything else
you may need to fit
your flat.

If you have a driving license
and looking for a car, you
can either buy a new one in a
salon or buy a second-hand
car from its previous owner
or in a consignment shop.
The list of the consignment
shops in Lublin is here:

If you don't have the
driving license yet, you will
have to go to a driving
license course (there are
a lot of driving schools in
Lublin, we recommend you
to google the phrase
"Lublin szkoły nauki
jazdy"). After you finish
the course, you will have
to pass the exam in WORD
(word.lublin.pl). If you
need any help with
arranging the exam, just
let us know, we will be
happy to assist you!
